

Overview of the process for requesting system enhancements

Overview of the process for accessing MRETS BOD Minutes

A screenshot of a web browser displaying the M-RETS website. The browser's address bar shows "http://mrets.net/index.asp". The website header includes "Midwest Renewable Energy Tracking System" and a navigation menu with links for "Home", "About M-RETS", "Documents & Resources", "News", "Events", and "Login". The "Events" link is circled in red. Below the header, there is a sidebar with a menu containing "Events", "Training", "Webcasts", and "Meetings & Seminars", with "Meetings & Seminars" circled in red. The main content area shows a "2008" section with a list of events, including "December 15th - Board Meeting", where the "Meeting Notes" link is circled in red. A second browser window is overlaid on the main screenshot, showing the address "http://mrets.net/events/Webcasts.asp" and a similar navigation menu.

1 – From the MRETS homepage, select the “Events” link

2 – Click on the “Meetings & Seminars” link on the left hand side of the page

3 – Scroll down and click on the “Meeting Notes” link under the Board Meeting information

*** Note** – In the future, MRETS subscribers will be notified via email when new board meeting minutes are posted to the MRETS website
